2026 Legacy Award Honorees

Mrs. Margaret Q. Keller

Margaret Keller, a cornerstone of the Durham community for 65 years, is recognized for her extraordinary civic engagement. Inspired by the League of Women Voters, she dedicated decades to observing and reporting on local government, including critical committees addressing the future of the historic Lincoln Hospital property.

Her work ensured the Durham community remained informed and engaged during pivotal moments in its development. Margaret accepts this recognition in honor of all citizens who understood the importance of community involvement.

Mr. Philip A. Harewood

Philip Anthony Harewood is a visionary leader whose 30-year tenure at Lincoln Community Health Center profoundly shaped healthcare in Durham. Serving as CFO, CIO, and ultimately CEO, he guided the organization through significant technological advancement and expanded partnerships, solidifying Lincoln's role as a trusted healthcare anchor.

Beyond Lincoln, his impact extended to state and international levels, consistently demonstrating a commitment to equity and excellence in healthcare delivery. He leaves a legacy of integrity and lasting community impact.
